

BRIGHTWASH (PTY) LTD - WEBSITE DOCUMENTATION

Kraaifontein · Cape Town | Detergent Manufacturer Since 2012

Document Version: 1.0 **Date:** March 2026 **Prepared for:** Brightwash Management

1. EXECUTIVE SUMMARY

Brightwash is a South African detergent manufacturer based in Kraaifontein Industrial Park, Cape Town. The website consists of 6 fully responsive pages showcasing the company's products (washing powder, liquid detergents, industrial 50kg drums), services, safety compliance, and contact information. The design uses a modern dark theme with glass-morphism effects, optimized for both desktop and mobile viewing.

-  **Live Status:** Development complete - Ready for deployment
-  **Mobile Responsive:** Yes (tested on all screen sizes)
-  **Technologies:** HTML5, Tailwind CSS, Font Awesome Icons, Google Fonts
-  **Location Focus:** Kraaifontein, Cape Town with SADC export reach

2. SITE STRUCTURE & NAVIGATION

2.1 Main Navigation Menu

Page	URL	Description
Home	index.html	Hero section with washing powder focus, product highlights, Cape Town location badge
About	about.html	Company mission, Kraaifontein factory info, detergent chemistry, industry sectors served
Services	services.html	Bulk delivery, on-site dosing, safety training, performance auditing
Products	products.html	Washing powder (25kg), liquid detergents (5L/25L), industrial 50kg drums
Safety	safety.html	SABS certification, SDS library, environmental compliance, PPE protocols
Contact	contact.html	Simplified inquiry form, direct lines, Kraaifontein depot map

2.2 Mobile Navigation

All pages include a hamburger menu for mobile devices with animated toggle and slide-out panel containing the same navigation options plus "Contact Centre" status indicator.

7. CONTENT & ASSETS

7.1 Images Used

All images sourced from Unsplash (royalty-free):

- Industrial laundry facilities
- Chemical laboratory equipment
- Warehouse and bulk storage
- Cape Town industrial backdrop
- Map placeholder for Kraaifontein depot

7.2 Key Phrases & Taglines

- "Premium Washing Powder. Manufactured in Kraaifontein"
- "Commercial Power. Cape Town Scale."
- "Stain-Targeting Technology for Western Cape industrial laundries"
- "Direct from Kraaifontein factory — no middleman markup"
- "Safety first, always. SABS certified."

8. WEBSITE MAINTENANCE GUIDE

8.1 Updating Contact Information

Contact details appear in two places:

- **Contact page:** Direct lines in the right panel (update phone/email in the HTML)
- **Footer:** "Contact centre" section (update in footer of every page)

8.2 Adding New Products

To add a new product, locate the product grid on index.html (section with class "grid md:grid-cols-3 gap-8") and duplicate one of the existing card divs. Update the icon, title, and description.

8.3 Updating Safety Certifications

On safety.html, the certification logos are in a flex container. Replace the placeholder image sources with actual certification logos.

```
<!-- Example: Adding a new certification logo --> 
```

9. DEPLOYMENT CHECKLIST
